

PZC Subcommittee on Infrastructure, Third Meeting  
Thursday, February 28, 2013  
Room "B"  
Audrey Beck Municipal Building  
Storrs-Mansfield, CT

Present: Kay Holt, Alex Marcellino, Peter Plante, Ken Rawn

The meeting started at 2:06 PM. The first order of business was to elect a chairman. Plante MOVED, Rawn seconded, to nominate and elect Marcellino as chairman. The MOTION PASSED UNANIMOUSLY, by acclamation. Holt volunteered to continue as secretary.

The committee reviewed decisions made at the February 21<sup>st</sup> meeting and added some new recommendations. Holt is to ask Jessie Neborsky, Secretary of the Planning Department, to work with her to make a revised list of "Prioritized Mansfield Walkways" that is different from the list (worksheet, dated October 2012) that was drawn up by the Mansfield Traffic Authority.

After much discussion, the committee concluded that the Town needs to review its existing bike-paths in terms of sightlines and safety of the rider. We also felt that UConn should be contacted to help with payments for sidewalks to be built in the Storrs area.

At our next meeting, the committee will review the aforementioned revised list, and then head out together in one car for a "windshield survey" to view our recommendations. It may be necessary to take more than one trip to complete the windshield survey.

Next meeting: Wednesday, March 6, 2013, at 2 PM, in Conference Room "C".

The meeting was adjourned at 3 PM.

Respectfully submitted,  
Katherine Holt, Secretary
